We are excited to offer you the opportunity to take part in our PWSA UK Virtual Conference! Our exceptional speakers, including Dr Jennifer Miller, will provide an interesting and informative programme about PWS for you, covering a wide range of topics.

The morning session will be aimed at parents of under 16s, together with professionals working with children and young adults, and the afternoon session will be aimed at parents of those over 16 and professionals working with adults.

There will be opportunities to ask questions after each presentation, and in the expert panel in the morning. We will ask you to type any questions you have in the comment box

and we will ask them on your behalf. Please remember, our expert speakers can only answer in a general manner and cannot be specific to your child. We will do our very best to get through as many questions as we can.

If your child is 14 or 15, you may find the afternoon session is also useful.

Tickets are available for the cost of a donation (minimum donation £5).

You can get tickets and see the full conference programme [here](#).
